## GRAIN DE SAIL WINES

At Grain de Sail®, we don't own vineyards but we could not resist getting into wines, especially Burgundy. So we found the perfect partner: a young, artisanal and one-man led wine merchant who buys organic grapes on some of the best parcels of Burgundy, then crafts the wines himself. We wanted balance, freshness, fruits, delicacy, and limited oak. Here we are! We now have our own wines to go with our own Cargo Sailboat.
